To Whom It May Concern:

We have been very happy with the relationship we have established with Mogollon over the past 17 years we have been working with them. They have played at our Bill Luke Bass Days over this time and have opened for acts like: One Trick Pony, Chad Brock and Tracy Lawrence – to name a few.

The past few years they have been a headliner at our event and have played in front of 6-10K people each night. They draw a crowd and have been extremely entertaining for our events. We would highly recommend Mogollon for anyone who's looking for a high quality entertaining group that will draw in the crowds.

Sincerely,
